Burglars effected an entrance to Dr. John M. Frazee's residence about 12:30 o'clock last night, and had reached the second floor when some members of the family were awakened and gave the alarm. The thieves beat a hasty retreat and made their escape by way of the front entrance. Luckily they were discovered before they had secured any valuables.

THE Kinney-Clarke will case in Bracken has been settled. Harrison Clarke died a few years ago and left a will, in which he devised that all of his property go to his daughter, Mrs. Kinney, and at her death this property was to go to her children. Mrs. Kinney was the only child of the testator, and the provisions of the will did not suit her husband. He wanted absolute control of the property, which is worth about \$7,000, but the jury could not see it in that light, and stood by the will like sensible men.
